FEATURING ILA KELLERMANN

Ila Kellermann graduated with an Honors BFA and a BEd from York University. She is currently a full-time visual arts teacher at the elementary, secondary and post-secondary levels. In addition to her exemplary teaching skills, Ila is an expressionist painter who uses a dramatic, vivid palette and the layering and texturing of paint paired with a sense of impulsiveness to reflect the joy of life and those everyday moments that are both narrative and celebratory. As Education Advisor and Instructor for Jennart International Inc., Ila prepares and delivers the outstanding education program. Ila's artistic skills and knowledge as well as her interpersonal skills and incredible teaching methods ensure the highest of standards in art tutorial.

Register today to express your abstract style!
